

## Summer 2016 Budget Coach Information

Thank you for considering serving as a Budget Coach for a Habitat future homeowner as they complete Dave Ramsey's Financial Peace University in conjunction with Habitat HomeWORKS! This is truly a unique & fulfilling volunteer opportunity. **You commit to working with a future Habitat homeowner one-on-one for a total of 8 hours over 13 weeks.** You build a trusting and respectful partnership with your family, and you help them establish the solid financial footing that will make them a successful homeowner. Not many other volunteer opportunities are so rewarding! You don't need to have a finance background, but you need to be comfortable with basic budgeting concepts and you need to have the heart to teach others. Families have classroom instruction for one hour and then apply their learning to their personal situations with help from their budget coach in the second hour of class. **NEW budget coaches are required to attend a training session on Tuesday, May 10<sup>th</sup> from 5:30 – 7:00 pm.**

**Classes start on Thursday, May 19<sup>th</sup> and continuing for 13 weeks. We will have an evening session ONLY this Summer.** In the Evening session families are in class from 5:30 – 7:30 pm, with budget coaching occurring from 6:30 – 7:30 pm. **Below is a detailed schedule for the evening session.** Please note that there are some weeks with NO COACHING. All coaches are welcome to join us for videos, group discussions and presentations, especially sessions that are new to them or that they haven't seen in a while.

**Location:** Classes are held in the Habitat of Greater Nashville Learning Center located on the LEFT side of Habitat of Greater Nashville's main office at 2950 Kraft Drive, Suite 100, Nashville, TN 37204.

### **Schedule Descriptions:**

- **FPU** – Families watch a DVD recording of Dave Ramsey delivering a Financial Peace University lesson to a live audience.
- **Budget Coach** – After a few minutes of group discussion and direction families and coaches will meet one on one in our building.
- **Home Maintenance Costs** – Taught by Habitat staff and representatives from Nashville's Financial Empowerment Center, this class focuses on the costs of home maintenance & repairs, and the importance of having money saved to cover them.
- **Ron Ream** – Our long-time, fabulous financial instructor, Ron Ream, will give further explanation on class topics. There is **no coaching during these classes.**
- **Group Discussion** – The video or instruction is longer or more complex in these classes, so we will supplement with a group discussion. There is **no coaching during these classes,** but budget coaches are welcome and encouraged to participate.
