INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Habitat for Humanity of Greater Nashville
Nashville, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of Habitat for Humanity of Greater Nashville (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity of Greater Nashville, as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2016, on our consideration of Habitat for Humanity of Greater Nashville's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat for Humanity of Greater Nashville's internal control over financial reporting and compliance.

HABITAT FOR HUMANITY OF GREATER NASHVILLE
NOTES TO FINANCIAL STATEMENTS
June 30, 2016

NOTE 1 – ORGANIZATION AND PURPOSE

Habitat for Humanity of Greater Nashville (“Habitat”), a nonprofit corporation, was chartered by the State of Tennessee on March 25, 1985. Habitat is an affiliate of Habitat for Humanity International, Inc. (“Habitat International”), a nondenominational Christian nonprofit organization whose purpose is to create decent, affordable housing for those in need and to make decent shelter a matter of conscience with people everywhere. Although Habitat International assists with information resources, training, publications, prayer support, and in other ways, Habitat is primarily and directly responsible for its own operations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Habitat have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The significant accounting policies followed are described below.

Income Taxes

Habitat is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation. Therefore, no provision for income taxes has been made.

Habitat follows guidance that clarifies the accounting for uncertainty in income taxes recognized in an organization’s financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. Habitat has no tax penalties or interest reported in the accompanying financial statements. Tax years that remain open for examination include the years ended June 30, 2013 through June 30, 2016. Habitat has no uncertain tax positions at June 30, 2016.

Basis of Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Habitat and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

HABITAT FOR HUMANITY OF GREATER NASHVILLE
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation (Continued)

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of Habitat and/or the passage of time. Temporarily restricted net assets at June 30, 2016 consist of contributions received and receivable restricted for home construction, the purchase of land, and the unamortized discount on below market interest rate loans payable.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by Habitat. Habitat has no permanently restricted net assets at June 30, 2016.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses and allocation of functional expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

For purposes of the statement of cash flows, Habitat considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

Home Sales and Mortgage Notes Receivable

Transfers to homeowners are recorded at the gross amount of payments to be received over the lives of the mortgage notes receivable. These mortgage payments do not include interest and, accordingly, the mortgages have been discounted at various interest rates based upon prevailing market rates at the inception of the mortgages. Discounts are amortized using the straight-line method over the lives of the mortgages. The discounted value of mortgages at the time of sale is generally less than the home's fair market value. Therefore, management believes that losses resulting from non-payment of mortgages are not reasonably probable, and accordingly, no allowance for mortgage notes receivable has been recorded. Past due status is based on contractual terms of the mortgage notes receivable. At 120 days past due, the mortgage notes receivable become subject to foreclosure.

HABITAT FOR HUMANITY OF GREATER NASHVILLE
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Home Sales and Mortgage Notes Receivable (Continued)

Unearned revenue on mortgage notes receivable represents the discounted value of non-interest bearing second and third mortgage loans issued on Habitat homes. The homeowner is required to sign one or more additional mortgages for the difference between the estimated fair market value of the home and the first mortgage balance as of the transfer date. Certain of these mortgages are fully forgiven if the homeowner lives in the home for a certain period of time and complies with all other covenants and restrictions per the deed of trust. In the event the homeowner does not comply with these restrictions, the mortgage balance will be recognized as income at the time it is collected. Habitat generally does not foresee collection of the non-payable second and third mortgage loans except in the event of sale, refinance or foreclosure of the home.

Property and Equipment

Property and equipment is reported at cost at the date of purchase or at fair market value at the date of gift. Depreciation is computed using the straight-line method over the estimated useful lives of the assets which range from three to seventeen years.

Land Held for Development

Land held for development consists of land and improvements to be utilized as lots for future Habitat homeowners. Costs incurred to improve land are capitalized when incurred. Interest incurred on related debt during the construction period is capitalized as incurred. The total allocated cost of each lot is charged to construction-in-progress upon commencement of building activities. The Organization sold 183 acres of land held for development for approximately \$1,800,000 to an unrelated entity during the year ended June 30, 2016. There was no significant gain or loss resulting from this transaction.

Deferred Revenue

Deferred revenue consists of deposits received on conditional promises to give and amounts received through The Housing Fund, Inc. via a Community Development Block Grant. Deposits on conditional promises to give are from sponsors of future home building and totaled \$630,799 at June 30, 2016. Amounts received through The Housing Fund, Inc. totaled \$647,074 at June 30, 2016 and represent amounts that have been expended toward the purchase and rehabilitation of homes in flood impacted areas. The deferred revenue will be recognized as income only upon completion of the rehabilitation and sale of the home to a qualifying family.

HABITAT FOR HUMANITY OF GREATER NASHVILLE
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Contributions are recognized as revenue when received. Contributed land and equipment are recorded at estimated fair value at the date of the donation. In-kind contributions (primarily construction materials and land for development) are recorded based on their estimated value on the date of receipt.

No amounts have been reflected in the financial statements for donated labor by unskilled volunteers as no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time to Habitat's program services.

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using an interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met.

ReStore sales are recognized as revenue at the time merchandise is transferred to the customer. Historically, sales returns have not been significant.

Grant Income

Grant funds are earned and reported as revenue when Habitat has incurred expenses in compliance with the specific restrictions of the grant agreement.

Grant funds that are restricted for use in home construction are reflected as unrestricted revenue since these funds are generally received and spent during the same year.

Program Services

Program services include construction, ReStore operations, family support and educational ministries and the discounts on mortgage originations. The cost of home building is charged to program services upon transfer to the homeowner. Program services include the cost of new homes transferred, which have an average cost of \$119,604 for the year ended June 30, 2016.

Advertising

Advertising costs are charged to expense as incurred. Advertising expense totaled \$33,030 for the year ended June 30, 2016.

NOTE 14 – NEW MARKETS TAX CREDIT JOINT VENTURE NOTE PAYABLE

Habitat has a loan payable to CCM Community Development XXVII, LLC (“CCM”), a community development entity, dated August 31, 2012 as part of the NMTC transaction. It is a 15-year loan bearing interest at 0.76% with semi-annual interest-only payments commencing on November 10, 2012 and continuing until November 10, 2020. Principal and interest payments are to commence on November 10, 2020 due semi-annually to then fully amortize the principal balance over an 8-year period, maturing May 10, 2028. The loan is secured by substantially all the assets acquired by Habitat from the project loan proceeds. The debt is associated with a put option feature under an option agreement between the joint venture’s related parties that is expected to be exercised in 2020 that will effectively extinguish the liability from Habitat. The balance of the note payable at June 30, 2016 is \$1,880,000.

Simultaneous with these transactions, the LLC entered into an option agreement (the “Agreement”) with U.S. Bancorp Community Development Corporation (“USB CDC”), the federal tax credit investor, who is the sole-member of CCM CD 27 Investment Fund, LLC (the “Fund”), and the upstream effective owner of CCM. Under the terms of the option agreement, USB CDC is expected to place its ownership interest into the Fund for \$1,000, during the six month put period beginning September 15, 2019.

Exercise of this option will effectively extinguish Habitat’s outstanding debt owed to the Fund. Habitat will recognize income on the forgiveness of debt in an amount approximating the difference in the book value of the investment and the debt. The investment and debt will then come off Habitat’s books. All entities including CCML Leverage II, LLC, will then be dissolved effectively ending the structured financing deal.

Pursuant to the agreement, Habitat is required to comply with the NMTC requirements as generally set forth in the Internal Revenue Code (“IRC”) Section 45D, including that Habitat maintain a separate part of business such that the separate business will qualify as a qualified active low-income community business as defined in IRC Section 45D. Only the separate part of business assets of Habitat was pledged as security under the agreement with CCM.

None of these transactions are considered to be individually significant to Habitat's financial statements.

Habitat annually remits a portion of its unrestricted contributions (excluding in-kind contributions) to Habitat International. In addition to the acquisition price, Habitat plans to spend approximately \$4,000,000 more on repairs and renovations to the building. A local bank has provided a financing commitment for 80% of the project up to approximately \$8,000,000 at an interest rate of 4% below prime for a 7-year term with 20-year amortization. Habitat will then directly fund from cash 20% of the project up to the financing limit and any excess cost above that level. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Directors of
Habitat for Humanity of Greater Nashville
Nashville, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Habitat for Humanity of Greater Nashville (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 21, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Habitat for Humanity of Greater Nashville's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Habitat for Humanity of Greater Nashville's internal control. Accordingly, we do not express an opinion on the effectiveness of Habitat for Humanity of Greater Nashville's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Habitat for Humanity of Greater Nashville's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY
THE UNIFORM GUIDANCE**

The Board of Directors of
Habitat for Humanity of Greater Nashville
Nashville, Tennessee

Report on Compliance for Each Major Federal Program

We have audited Habitat for Humanity of Greater Nashville's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Habitat for Humanity of Greater Nashville's major federal programs for the year ended June 30, 2016. Habitat for Humanity of Greater Nashville's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Habitat for Humanity of Greater Nashville's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Habitat for Humanity of Greater Nashville's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Habitat for Humanity of Greater Nashville's compliance.

Opinion on Each Major Federal Program

In our opinion, Habitat for Humanity of Greater Nashville complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control over Compliance

Management of Habitat for Humanity of Greater Nashville is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Habitat for Humanity of Greater Nashville's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Habitat for Humanity of Greater Nashville's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
