

Bella Terra

A Habitat for Humanity of Greater Nashville
Single-family Home Neighborhood

2026 Build Partnership Opportunities

Habitat is offering build day experiences Thursdays thru Sundays in 2026, for its new Bella Terra neighborhood in Antioch. Habitat's 53 single-family home development is located in South Nashville off Highland Ridge Drive, 15 minutes from downtown.

As a sponsor, you will have the right of first refusal to provide up to 20 volunteers on each of the build day experiences you support. Volunteers will work alongside future Habitat homeowners on their journey to purchase quality homes with affordable mortgages. Habitat for Humanity's homeownership program empowers hardworking individuals and families to stabilize their lives while building better communities.

Future Habitat homeowners qualify for our homeownership program. They attend education classes while building their homes alongside sponsors and volunteers.

Bella Terra

Habitat offers multiple levels of partnership:

<i>Habitat for Humanity brings people together to build homes, communities and hope.</i>			

All levels of partnership will receive the following benefits:

- Sponsor logo on build site signage, on the Habitat website, and in the annual report
- Group shot from your build day(s)
- Sponsor recognition piece
- Visual storytelling of the construction of Bella Terra neighborhood
- Invitation to the community home dedication celebration
- Opportunity to interact with future Habitat homeowners throughout your experience

Anticipated build tasks include:

- Wall Panel Builds
- Framing a Home
- Installation of Siding
- Insulation
- Door & Window Installation

Those who are not able to sponsor a build day experience for **\$8,750** may be able to create a partnership with another organization, client, or congregation to achieve the desired level of giving.
